

BARBARICUM AWARDED HUMAN CAPITOL AND TRAINING SOLUTIONS CONTRACT

Washington D.C.-Based Service-Disabled Veteran-Owned Small Business Awarded Contract to Support the Government Services Administration and the Office of Personnel Management with Customized Human Capitol Solutions.

January 13, 2017 – Washington, D.C. - Barbaricum, a Washington, D.C.-based Service-Disabled, Veteran-Owned Small Business, has been awarded a government-wide, multiple award, indefinite-delivery, indefinite-quantity contract to provide support to the Office of Personnel Management and General Services Administration’s Human Capital and Training Solutions. This contract allows all federal agencies to access customized training and development services, human capital strategy services, and organizational performance improvement services.

The work performed under HCaTS will be across three Key Service Areas – Customized Training and Development Services, Customized Human Capital Services, and Customized Organizational Performance Improvement.

“We are eager to support OPM, GSA, and our federal clients to enhance their mission to provide reliable, flexible, timely and customized solutions for human capital management and training. This is a great win for us,” stated Scott Feldmayer, Partner at Barbaricum.

Barbaricum supports government clients with full-scale – Communications, Technology-Enabled, Research and Analysis, Cyber Security, and Development services to grow people, partnerships, and business. Our passion is innovation and we are committed to client value, mission support, and effective technical solutions.

Barbaricum was recently recognized as one of the fastest growing companies in DC by Inc. Magazine (2013-2015). We also received the SmartCEO GovStar award for Industry Leadership and were recognized as a Best Place to Work in Washington DC (2015). In 2016, our team was awarded the International Association of Measurement and Evaluation (AMEC) Gold and Silver for our innovative work in integrated communications.
