

BARBARICUM

SOCOM WIDE MISSION SUPPORT GROUP B (SWMS-B)

Barbaricum Introduction

Barbaricum is a Service-Disabled Veteran-Owned Small Business (SDVOSB) providing full-scale Mission Support, Cyber Security/Intel, and Integrated Communication services. Barbaricum's marked success has positioned it as the fastest-growing company in its market. We possess an ISO 9001:2015-certified and CMMI Level 3-appraised Quality Management System (QMS) to deliver superior value to our clients. To date, our team's innovative and technical approach has secured over 80 contracts, providing services as a Prime on more than half. Barbaricum provides a suite of technology-enabled services—research, development, training, rapid acquisition & prototyping, validation and visualization, integration, and testing & evaluation—to address diverse technological needs. We are committed to providing solutions that work in permissive, uncertain, non-permissive or high-threat environments. Clients can gain access to our specialized services through a number of schedules and vehicles that Barbaricum holds including IAC MAC, IT-70, PSS, HCaTS, SWMS-B, T-REX, and more.

In addition to our agile technical solutions, Barbaricum focuses on corporate culture as a cornerstone of the organization. As a result of this focus, Barbaricum was honored as one of *Inc. Magazine's* Best Workplaces for 2017. Furthermore, Barbaricum is affiliated with industry-leading organizations like the Global SOF Foundation, National Defense Industrial Association (NDIA), the Association of the United States Army (AUSA), and others.

SWIMS-B

As one component of a larger IDIQ vehicle, SWMS - B provides SOCOM with agile and flexible education, training and management services. This includes vocational and technical training and the individual through staff levels, exercise planning and execution, strategic planning, capability and structure analysis, public relations and media analysis. SOCOM has developed an integrated series of capabilities to build and preserve the fighting strength of SOF warriors, expand their capabilities beyond fighting, and assure the well being of their families. SWMS-B is uniquely suited as a vehicle to support education and training while using subject matter experts (SME) to enhance and improve the capabilities of globally agile, forward-deployed or forward-based SOF Warfighters.

Vehicle Focus Areas

Task Orders for SWMS Group B fall into three distinct categories:

- **Education and Training**
- **Management Support Services**
- **Administrative & Other Services (non-SORDAC)**

Additional support categories are available through the other SWMS vehicles.
