

BARBARICUM

# TECHNICAL ENGINEERING ANALYTICAL MANAGEMENT SUPPORT (TEAMS)

## Barbaricum Introduction

Barbaricum is a Service-Disabled Veteran-Owned Small Business (SDVOSB) providing full-scale Mission Support, Cyber Security/Intel, and Integrated Communication services. Barbaricum's marked success has positioned it as the fastest-growing company in its market. We possess an ISO 9001:2015-certified and CMMI Level 3-appraised Quality Management System (QMS) to deliver superior value to our clients. Since 2008, Barbaricum's marked success has positioned it as the fastest-growing company in its market. To date, our team's innovative and technical approach has secured over 70 contracts, providing services as a Prime on more than half. Barbaricum provides a suite of technology-enabled services—research, development, training, rapid acquisition & prototyping, validation and visualization, integration, and testing & evaluation—to address diverse technological needs. We are committed to providing solutions that work in permissive, uncertain, non-permissive or high-threat environments. Clients can gain access to our specialized services through a number of schedules and vehicles that Barbaricum holds including IAC MAC, IT-70, PSS, HCaTS, SWMS-B, T-REX, and more.

In addition to our agile technical solutions, Barbaricum focuses on corporate culture as a cornerstone of the organization. As a result of this focus, Barbaricum was honored as one of *Inc. Magazine's* Best Workplaces for 2017. Furthermore, Barbaricum is affiliated with industry-leading organizations like the Global SOF Foundation, National Defense Industrial Association (NDIA), the Association of the United States Army (AUSA), and others.

## TEAMS

The Technical Engineering Analytical Management Support (TEAMS) Blanket Purchase Agreement is a five-year, \$995 million, Office of the Secretary of Defense-wide Knowledge Based Services (KBS) contract vehicle designed to fulfill professional services requirements.

As a prime contractor on this vehicle, Barbaricum can respond to any task order individually, with its in-house expertise to deliver client based solutions. We are also a member of the ANSER Contractor Teaming Agreement (CTA), which brings together three large companies, one Service Disabled Veteran-Owned Small Business and one HUBZone certified, Woman-Owned Small Business.

## Vehicle Focus Areas

TEAMS provides the Office of the Secretary of Defense a mechanism to contract a wide variety of knowledge-based services including:

- Management Consulting
- Program Management
- Engineering and Technical
- Environmental Support
- Marketing and Advertising
- Human Resources
- Financial Management Services
- Administrative Support
- Education and Training
- Incidental Information Technology

Barbaricum has extensive experience supporting clients in each of these disciplines.

## Contact Information

For more information about contracting through the TEAMS vehicle, please reach out to Barbaricum.
