# BARBARICUM

the art of the possible. *the science of success.*

## ABOUT BARBARICUM

Barbaricum is more than a name, it's who we are and what we do—delivering cutting-edge, national security capabilities that exceed customer requirements. We remain solution oriented and focused on what lies beyond the new frontier. After more than a decade of growth, we have a diverse team of over 250 professionals who provide solutions across four lines of business: Cyber / Intel, Mission Support, Integrated Communications, and Research & Engineering. We provide exceptional support to customer missions across the globe and have proven, on-the-ground experience across 5 continents, including the management of international business requirements.

### CUSTOMERS

As a privately held company, we possess the experience to deliver support government-wide. A selection of our HCATS customers include:

- Defense Information Systems Agency
- Department of Veterans Affairs
- DoD Joint Artificial Intelligence Center
- Department of State
- DoD Office of the Inspector General
- Department of Homeland Security

### CAPABILITIES

HCATS provides the government a highly customizable human capital contracting vehicle & Key Services Areas including:

- Integrated Communications & Marketing
